*Office Memorandum* • UNITED STATES GOVERNMENT

25X1A

TO : Director of Training  
 ATTN : Mr. [REDACTED]  
 FROM : Advisor for Management

DATE: 3 December 1951

**CONFIDENTIAL**

SUBJECT: Hazardous Duty Pay

1. Unless specifically invited, I will no longer be a member of the Senior Review Committee. In view of this and in lieu of what took place last Friday morning on Hazardous Duty Pay, I would like to put in writing what I endeavored unsuccessfully to bring forth at that meeting.

2. Hazardous duty pay, as we are attempting to establish it, involves only staff employees and staff agents as all other categories will be handled by contractual arrangements. Staff employees and agents by the nature of their appointments should seldom be assigned extremely hazardous missions. It is proposed, therefore, that in the future when any staff employee or staff agent is assigned to duty which can be properly classified as hazardous that said employees be removed from the status of staff employee or staff agent and reemployed on a contractual basis and hazardous duty benefits can be negotiated and specifically stipulated. This would provide pay and other emoluments and would even provide a vehicle whereby the individual could honestly say that for certain specific type duty he is getting certain extra benefits.

REMARKS: Since it was decided by the Senior Review Committee that no regulation could be issued until the Career Service Committee had made a more complete study for reference to the DCI, it seems to me that neither of these memoranda are particularly pertinent. I suggest that they be forwarded to [REDACTED] for what they may be worth. If you agree, will you send them to him?
